

Quick Start Guide

Four short steps. Keep this sheet near the TV.

In the box: TV box · remote + 2 batteries · HDMI cable · power adapter

STEP 1 Get connected

- 1 Batteries**
Slide the 2 included batteries into the remote.
- 3 Power**
Power adapter into the DC port, then into the wall.

- 2 HDMI cable**
From the box's HDMI port to an open HDMI port on your TV.
- 4 TV input**
Turn on the TV and pick that HDMI input. The Home Screen appears.

Plug in the power adapter **last**.

STEP 2 Pair your Bluetooth remote

It starts **by itself** the first time you turn on the box.

KEY STEP			
01  The pairing screen appears "Pairing of bluetooth remote control..." shows up by itself.	02  Hold the remote near the box Point it at the TV box.	03  Press OK + VOL- together Hold both buttons until the remote connects.	04  The screen closes Your remote is connected. Go on to step 3.

STEP 3 Get online

In the Wi-Fi settings, choose **your** network and type your Wi-Fi password. Or plug an Ethernet cable into the **LAN** port.

STEP 4 Start watching

Live TV, Movies, Series and Apps are right on the Home Screen.

★ Save a favorite

Highlight any channel, movie or show, then **hold OK** until the **yellow star** appears.
