SMART STREAM BOX · SMART STREAM TV BOX

Quick Start Guide

Four short steps. Keep this sheet near the TV.

In the box: TV box · remote + 2 batteries · HDMI cable · power adapter

STEP 1 Get connected

Plug in the power adapter **last**.

IR — Remote sensor
HDMI — To your TV
DC — Power
AV — Audio/video
LAN — Wired internet

1. **Batteries**
   Slide the 2 included batteries into the remote.
2. **HDMI cable**
   From the box's HDMI port to an open HDMI port on your TV.
3. **Power**
   Power adapter into the DC port, then into the wall.
4. **TV input**
   Turn on the TV and pick that HDMI input. The Home Screen appears.

STEP 2 Pair your Bluetooth remote

It starts **by itself** the first time you turn on the box.

01	02	KEY STEP 03	04
The pairing screen appears	**Hold the remote near the box**	**Press OK + VOL− together**	**The screen closes**
"Pairing of bluetooth remote control…" shows up by itself.	Point it at the TV box.	Hold both buttons until the remote connects.	Your remote is connected. Go on to step 3.

STEP 3 Get online

In the Wi-Fi settings, choose **your** network and type your Wi-Fi password. Or plug an Ethernet cable into the **LAN** port.

STEP 4 Start watching

Live TV, Movies, Series and Apps are right on the Home Screen.

☆ Save a favorite
Highlight any channel, movie or show, then **hold OK** until the **yellow star** appears.
